10                State used such funds only for the purpose  
11                described in paragraph (1) of section  
12                1352(a) at the dollar amounts and per-  
13                centage specified under subparagraph (B)  
14                for such year; minus

15                         “(ii) the amount, if any, by which the  
16                 Secretary determines—

17                                 “(I) the estimated amount of  
18                 premium tax credits under section  
19                 36B of the Internal Revenue Code of  
20                 1986 that would be attributable to in-  
21                 dividuals residing in such State for  
22                 such year without application of this  
23                 part; exceeds

24                                 “(II) the estimated amount of  
25                 premium tax credits under section

1                   36B of the Internal Revenue Code of  
2                   1986 that would be attributable to in-  
3                   dividuals residing in such State for  
4                   such year if such State were a State  
5                   described in section 1353(b) for such  
6                   year.

7                   For purposes of the previous sentence and sec-

14                  paragraph (B).

15                  “(B) SPECIFICATIONS.—For purposes of  
16                  subparagraph (A) and section 1353(b)(3), the  
17                  Secretary shall determine the dollar amounts  
18                  and the percentage to be specified under this  
19                  subparagraph for a year in a manner to ensure  
20                  that the total amount of expenditures under  
21                  this part for such year is estimated to equal the  
22                  total amount appropriated for such year under  
23                  subsection (a) if such expenditures were used  
24                  solely for the purpose described in paragraph  
25                  (1) of section 1352(a) for attachment range

1           claims at the dollar amounts and percentage so  
2           specified for such year.

3           “(3) AVAILABILITY.—Funds allocated to a  
4           State under this subsection for a year shall remain  
5           available through the end of the subsequent year.”.

6           (b) BASIC HEALTH PROGRAM FUNDING ADJUST-

17          with respect to each qualified health plan of-  
18          fered in such State during a year that receives  
19          any reinsurance payment from funds made  
20          available under part 6 for such year, the ad-  
21          justed premium amount (as defined in subpara-  
22          graph (B)) for each such plan and year.

23           “(B) ADJUSTED PREMIUM AMOUNT DE-  
24          FINED.—For purposes of subparagraph (A), the  
25          term ‘adjusted premium amount’ means, with

1 respect to a qualified health plan and a year,  
2 the monthly premium for such plan and year  
3 that would have applied had such plan not re-  
4 ceived any payments described in subparagraph  
5 (A) for such year.”; and  
6 (2) in subsection (d)(3)(A)(ii), by adding at the  
7 end the following new sentence: “In making such de-  
8 termination, the Secretary shall calculate the value  
9 of such premium tax credits that would have been  
10 provided to such individuals enrolled through a basic  
11 health program established by a State during a year  
12 using the adjusted premium amounts (as defined in  
13 subsection (a)(3)(B)) for qualified health plans of-  
14 fered in such State during such year.”.
